Adult Archery Achievement Program

Friday 5:30 -- 7:30 PM

The **United States Archery Association** has recently updated their **Adult Archery Achievement Program**. This program allows adults to learn proper shooting technique achieve awards based on score, and pursue competition if they wish. It is run similar to their **Junior Olympic Archery Development Program (JOAD)**, but with higher goals that offer a challenge for the adult beginner (20+) as well as the experienced archer. During the League, participants receive clear instruction and coaching by a certified coach or instructor. Archers using recurve, compound or traditional bows have the opportunity to earn awards for their scores which become progressively more challenging to achieve as the archer's skill level increases.

Many of our parents want to shoot with their kids and as a family. This program includes instruction, equipment (except compound bows), scoring and awards. Adults earn certificates for each level of achievement in Indoor and Outdoor rounds. For the Indoor program, adults may shoot traditional, barebow, recurve or their own compound bows. Adults shoot at 18 m and a 40 cm target indoors. Compound shooters score the inner ten ring. Outdoor distances, are at 30 m, 50 m, and 70 m.

The cost pre-paid for eight weeks:
Members is $64.00
Non-member is $80.00

We allow you ten weeks to shoot eight sessions.

This program is offered on Friday evenings from:
5:30 - 7:30 PM. Call for current times.

Directions:
We are located in Spokane Valley about 15 miles East of Spokane, Washington. From the freeway (I-90), take either Barker Rd or Sullivan Exit and go south.

On Barker go South about 2 1/2 miles, turn right (West) on Saltese (E. 32nd Ave.) go 1/4 mile, then left (South) on Linke Road for 1/4 mile.

On Sullivan go South about 2 1/2 miles, turn left (East) on Saltese (E. 32nd Ave.) go 2 miles, then right (South) onto Linke Road for 1/4 mile.
